All sites under the auspices celunkvision group. CelunkVision is a business engaged in Information Technology and Business, especially in the development of web services both web programming and web design. Main products are making web services, manufacturing services theme / template wordpress, blogger (blogspot), joomla and drupal and manufacturing services company profile.

CelunkVision established on 04-05-2008 was originally named CelunkCoCc and in 2009 renamed IcakicikCom and in 2010 changed its name again so CelunkVision.

CelunkVision taken from the name of the owner / founder is Agung Nugroho aka Celunk. Many dreams that we want to achieve and one of them made our vision is "To be a primary reference point for perusahaan existing businesses in Indonesia either for newly established companies and companies that have long-standing, in entrusting IT needs". Until now many products that we have created websites both from the personal and private institutions of government agencies and educational institutions.
